**INVITATION LETTER TO PARTICIPATE IN  
ARTIFICIAL LIFT TECHNICAL COMMITTEE**

**Abdulmohsen Almajnouni, VP**  
Saudi Operations  
Alkhorayef Petroleum

We are honored to invite to be an active member in the Artificial Lift Technical Committee which was recently established after the last Artificial Lift Technical Exchange Meeting (ALTEM) held at Bahrain during the period of March 10<sup>th</sup> & 11<sup>th</sup>, 2009. The involvement would require you to attend regular OOK meetings.

You have actively participated in our last Artificial Lift Technical Exchange Meeting. Hence, we would like you to continue providing your usual and tremendous contributions to share your experience with other members. The Artificial Lift Technical Committee has been formulated to address the following areas on the field of Artificial Lift:

- To enhance the cooperation and knowledge-sharing
- To exchange the experience and lessons learned
- To learn the best practices related to the subject
- To learn the new advancements and technologies related to the field
- To organize conferences, technical exchange meetings, and forums

The participation within the said committee has been expanded to include members from the Khafji Joint Operations, Kuwait Oil Company, Saudi Chevron, Saudi Aramco and members from services companies as well. The outcome of this committee is expected to bring a lot of benefits to our organizations. Your company has sound petroleum production technologies and solutions that have evolved through years of research and operating experience. Therefore, discussing your experiences in these fields can help others, trigger discussions that will be mutually beneficial and enhance our stature as responsible global corporations

Thank you in advance for your support to our committee. I am confident that your valuable support will make this committee a success story. I look forward for your approval on the subject request. If you have any questions, please call Faisal Al-Shammari on 03-7671620.

**Ahmed K. Al-Anazi, Manager  
Production Department**
